## Winterset Turns 30!

Can you believe that in 2017 we will celebrate THIRTY YEARS OF WINTERSET! Perhaps you were there at that first celebration of the profession....or perhaps you have attended each of these past 29 years. Whatever the case, whether you are Winterset veteran or looking forward to being a first time party-goer, Winterset 2017 Chairs, Drs. Lisa and Drew Crawford invite you to join them on Saturday, February 25th to honor our profession, our community partners, and the worthy beneficiaries of the evening.

Joe Mathis of the JA Mathis Company, leader of our creative team, has promised another stunning event at the Hyatt Regency - Downtown Tulsa. By popular demand, STARS will return this year. Be sure to wear your dancing shoes. Also entertaining you this year will be...well that's a surprise so you'll have to be there to find out. Some of your favorite door prizes will return but new, exciting packages will be added so don't miss your chance to win. Follow Winterset on Facebook or at [WintersetTulsa.com](http://WintersetTulsa.com) to learn more.

*Drs. Lisa and Drew Crawford,  
Winterset 2017 Chairs.*

Of course Winterset is about the celebration of service to our community. **H.O.P.E. (Health Outreach Prevention Education)** will receive funding to continue their comprehensive prevention education, and compassionate counseling, testing and referral services for those most at risk for HIV and HCV in Tulsa as well as 26 surrounding counties. These services will have a long-lasting impact on improving the health of our citizens.

Your support will have a profound effect on the future of osteopathic medical education in Oklahoma through support of the new, state-of-the-art ICU simulation suite at the **Oklahoma State University College of Osteopathic Medicine**. Countless students will benefit from this experiential learning environment which will prepare them to care for patients throughout Oklahoma and beyond.

And finally, your incredible generosity will provide **scholarships** to two of Oklahoma's finest students. These young people will be selected for their academic achievement,

community engagement, and college ambassadorship. They represent the future of osteopathic medicine in Oklahoma and are grateful for your support.

Many thanks to our osteopathic community for recommending these worthy organizations to be the beneficiaries of Winterset philanthropy. Now let's make these grants possible. February 25, 2017 is just around the corner! It's not too late (nor too early) to reserve your place. Go online, return your pledge card in the mail, or just call Michele at the office. Here's an idea, call a group of your friends and plan your own table. The Foundation is proud to continue the tradition of Winterset for our osteopathic family and community partners; something we can only do with your support. Our greatest thanks to Lisa Crawford, D.O. and Drew Crawford, D.O. for volunteering to chair this special evening. Let's tell them how much they are appreciated by making it another sell-out crowd.

See you in February!

## Nominations Announced

Many thanks to the members of the Osteopathic Founders Foundation's nominating committee for their work in developing a slate of candidates for election to the Foundation's 2017 Board of Directors. Foundation chairman, Scott Cyrus, D.O. appointed Laura Arrowsmith, D.O., Mousumi Som, D.O., and Danny Thomason, D.O. to serve with him as the 2016 nominating committee.

The following slate of nominees is presented by the committee, each to serve a three-year term beginning in 2016.

- Scott S. Cyrus, D.O. (incumbent)
- Patti Shaw, D.O. (incumbent)
- Jeffrey Stroup, Pharm. D.

Retiring from the Foundation's Board of Directors at the end of 2016 is Sheldon Berger, D.O. who has completed two consecutive terms in office. We express our deepest appreciation to him for his dedicated service.

Ballots have been mailed. Please be sure to return your ballot, in the enclosed envelope or by fax, not later than December 31, 2016.

## 8th Annual Research Poster Symposium

The Osteopathic Founders Foundation is pleased to partner with the Oklahoma Osteopathic Association and the Oklahoma Educational Foundation for Osteopathic

Medicine to sponsor the 8th Annual Research Poster Symposium.

Osteopathic medical students, residents, and fellows are invited to showcase their research during the Oklahoma Osteopathic Association's 117th Annual Convention in Norman! All entrants must be either a current osteopathic medical student or an osteopathic physician currently in a postgraduate training program. The judging panel will select first, second and third place winners. As a result of this new partnership, a total of \$6,000 will be granted to the winners of the competition! The Foundation is proud to support the work of our students and young physicians.

## Recognizing Excellence

(Above) Trevor Jay Connor, OMS IV.

(Right) Clayton Farahani, OMS IV.

The Osteopathic Founders Foundation's Tribute Scholars are recognized annually for high academic achievement, outstanding college ambassadorship, and meaningful community service. These highly competitive awards are granted to two students, chosen from among the top 20% of the third year class at Oklahoma State University College of Osteopathic Medicine. It is a challenging task for the Scholarship Committee to review the impressive accomplishments of these young student doctors. Our thanks

to this year's committee; Danny Thomason, D.O.; Tom Hamilton, D.O.; Candy Ting, D.O.; and 2016 Outstanding Physician honoree, J. Martin Beal, D.O.

Receiving a \$5,000 award this year was OSU-COM Student American Osteopathic Academy of Sports Medicine President, Trevor Jay Connor, OMS IV. A

*summa cum laude* graduate of Southwest Baptist University, Trevor is also a member of Sigma Sigma Phi National Osteopathic Service Fraternity and recipient of the Gold TOUCH award for his community volunteer service.

Recipient of the \$10,000 Outstanding Scholar Award is 2017 OSU-COM Class President, Clayton Farahani. Student Doctor Farahani is also a member of Sigma Sigma Phi and has served as the National Liaison to the Student Osteopathic Surgical Association. Clay was selected by the OSU-COM administration to serve as the student representative to both the Curriculum and Clerkship Coordination Committees.

The Founders Leadership Award was presented this year to Owais Durrani, OMS III. This \$3,000 scholarship recognizes, honors, and encourages one osteopathic medical student who exhibits the foundational leadership skills that will serve their profession and their community now and in the future. Student Doctor Durrani has an exemplary record of service which includes serving as first year representative to Omega Beta Iota, election as vice-president of the student government association, alternate delegate to the AOA House of Delegates, and as a White House Intern.

Congratulations to each of these exceptional young students. We are pleased to be able to support them in their path to becoming an outstanding osteopathic physician.

## Accountant's Review Report and Financial Statements

We're pleased to announce that the Accountant's Review Report and Financial Statements for the year

ended December 31, 2015 are available for you to view online at [www.osteopathic.org](http://www.osteopathic.org). BKD, LLP has also completed preparation of the annual IRS Form 990 for the same period which has also been posted. The Board of Directors and staff are committed to responsible stewardship of the Foundation's assets and want to fully disclose the results of our annual operations to our members and the public.
